

ETF senza commissioni

DEGIRO

Gli ETF sottostanti fanno parte della lista di ETF senza commissioni di DEGIRO e sono offerti senza costi di transazione ad alcune condizioni. Più in particolare è possibile effettuare una transazione (un acquisto o una vendita) per ciascun codice ISIN, per mese di calendario, senza costi di transazione. Anche ogni transazione successiva nello stesso codice ISIN, nello stesso mese, sarà eseguita senza costi di transazione, se:

- La transazione è nella stessa direzione (acquisto/vendita) della prima transazione di quel mese
- Il valore della transazione è almeno 1000 EUR, USD o GBP (dipendentemente dalla valuta in cui è denominato l'ETF negoziato).

Non appena viene eseguito un trade opposto o di ammontare inferiore a 1000 EUR (o GBP/USD) sullo stesso strumento nello stesso mese di calendario, la regola non si applica più alle successive transazioni su quello strumento in quel mese di calendario, e vengono applicate le normali commissioni di transazione. Si prega di notare che la creazione di una posizione corta su ETF inclusi in questa lista non è coperta da questa promozione. Ciò significa che si paga la commissione standard per gli ETF.

Si prega di notare che alcuni ETF possono essere quotati su più borse e che solo la borsa elencata di seguito è esente da commissioni. È responsabilità del cliente assicurarsi che l'ETF sia quotato sulla borsa corretta per beneficiare del trading senza commissioni.

Se avete domande, contattate il nostro Service Desk via e-mail: clienti@degiro.it o via telefono: +39 0694801507.
